## A GREAT OFFER.

By special arrangement made with the publishers of the Farm Journal we are enabled to offer that paper to every subscriber who pays for the News one year ahead, for only 50 cents, both papers for the price of ours only, our paper one year and the Farm Journal from now to December, 1903 nearly 5 years. The Farm Journal is an old established paper enjoying great popularity, one of the best and most useful farm papers published. A sample copy may be seen at this office.

This offer should be accepted without delay as we have only 100 subscriptions to give away.

We leave to others our paper this week. We split the wind for Memphis. For the next six days and nights our address will be the Memphis Carnival, on the Midway, in front of the Scootchie-Wootchie performers.—Hardeman Free Press.

Perhaps there is no paper nor editor more notorious for bad spelling and bad grammar than the Hardeman Free Press and Jack Reeves, its Falstaffian editor. In spelling "scotchie-wootchie" he evidently patterns after the absurd method of spelling Sequachee discussed in another part of this paper. It is a silent sarcasm on the Sequachee-ites.

We have received No. 4, Vol. 1, of the Republican, published by F. F. Conway, at Huntsville, Ala. We are glad to see that it is an all-home print, well gotten up, and a good looking sheet. Bridgeport gave itself an awful black eye when it failed to hang onto Frank Conway and the News.

## \$100 REWARD \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature to do its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, The Hall's Family Pills are the best.

## Remembers Old Days.

At a recent Soldiers' reunion at Pikeville, Tennessee, "Major" Thomas H. Hill, of the Sequachee Valley News, was then introduced, whose address was on fraternity and loyalty of comrades to comrades. He recited that beautiful poem, "We Drank from the Same Canteen" and eulogized our common country under one flag. His address was well received. Which was Tom, for many years one of the Selectmen of Woburn and Clerk of the Board. He always could make a good speech.—Woburn (Mass.) Journal.
